

## CELEBRATING 10 YEARS OF SUCCESS!

---

Congratulations to our 10th Anniversary Contest Winners, **Lisa Carter** and new homeowner, **Misty!**

Lisa used Down Payment Resource to match her homebuyer with the down payment help she needed to become the first homeowner in her family.

Thanks for celebrating your success story with us, Lisa!

"With the combined monies that were able to be layered, we were able to bid on a home for \$135,000, and we didn't need to ask for seller concessions because there were enough monies in those programs to cover down payment and closing costs. So, we were able to get the home despite it being a competitive market."
