Inspectors can schedule appointments 24/7 using apptcenter.showingdesk.com or the ShowingTime Mobile App!

Here’s how:

**Step One:** Go to ShowingTime.com and click “Customer Login” at the top right.

**Step Two:** To schedule an appointment, click the “Showings” tab in the left menu bar, then, “Make New Request”.

**Step Three:** Enter the listing street name or MLS listing ID of the home you would like to schedule on.

**Step Four:** Confirm your contact information and click, “Schedule a Single Showing”.

**Step Five:** Select the date and time.

**Step Six:** Enter appointment details, then click “Yes” to submit your request.

**Step Seven:** You will see a message on your screen letting you know if your appointment needs to be confirmed by a listing contact or if it is immediately confirmed.

The ShowingTime Mobile App:

ShowingTime’s Mobile App - available for iPhone, iPad, iPod Touch and Android Devices - will equip you to do just about anything you can do from your desktop!
