In 2019, real estate transaction volume for over 93,000 properties valued at over $26 billion was conducted through the NorthstarMLS system. Withholding from the Multiple Listing Service (MLS):

- Keeps your property from being exposed to the broadest market of over 19,000 agents and their buyers;
- Eliminates the ongoing advertising benefit of having your property available 24/7 to all potential buyers regardless of when they may start looking;
- Limits marketing to agents affiliated with your listing broker and limits public advertising of the property.
- Keeps your property off public web sites where buyers search for properties.

The listing broker/agent has fully explained the benefits of placing property for sale on the Multiple Listing Service (Service). The undersigned are fully aware that they are entitled to have their property placed on the Service, and that their property can be withheld from the Service only at their written request. The undersigned further have not been induced in any manner by the above-named MLS Participant to withhold their property from the MLS. By signing this form, the undersigned hereby acknowledge having read and understood the foregoing.

The undersigned request that the property identified above be withheld from the Multiple Listing Service. Upon sale of this property, the undersigned authorizes the listing broker to disseminate sales information to members of the MLS.
