

One of a kind property!

Natural beauty surrounds this incredible property with just the right mix of tree cover and open green spaces overlooking 300' of Sturgeon Lake shoreline. The 1,700 acre recreational lake provides unlimited water activities. The custom designed home takes full advantage of the setting to accommodate year round enjoyment inside and out. 6 Garage spaces provide ample storage for all your outdoor gear and vehicles. Detached 30x50 garage includes a workshop, seasonal bathhouse with laundry, and RV hookups.

6,400 sqft luxury home designed by Architecture Advantage

Architect selected high-end finishes throughout.

Every window and sliding door provides views of a lake.

Built to welcome a crowd while providing comfort and convenience for every day life.

Grand entry foyer treats guests to a stunning window wall overlooking the lake and hints at the delights to come.

Chef's kitchen featuring Subzero, Thermador, granite galore, center island plus breakfast bar seating, and tons of storage and work space including a walk-in Butler Pantry with it's own refrigerator and more prep space.

Living room features soaring ceilings, a window wall and gorgeous stacked stone gas fireplace creating a perfect balance of open and airy and cozy and inviting.

Main level Primary bedroom suite with gas fireplace walks out to the wrap around deck and hot tub. Oversized walk-in closet and luxurious spa bathroom.

Peaceful 4 season porch with unique lighting feature opens to the deck.

Private main floor home office just inside the entry foyer.

4 upper level bedrooms including a 2nd primary and 2 featuring private decks.

Movie room with tiered theatre seating and custom media stack includes a "concession area" right outside the double door entry.

Flexible bonus room with 2 built-in playhouses features nooks that would be perfect for creating a bunkhouse style guest space.

Loft area takes advantage of the vaulted ceilings and window wall to provide an intimate space with a grand view.

Large mud room and laundry room off the kitchen and just inside the garage entrance.

Heated attached garage has an additional mud room space, utility sink and a fortified storm room that currently doubles as a secure storage room.

Large patio with a well appointed outdoor kitchen overlooks the lake and a level yard perfect for yard games, sunbathing or a firepit campfire gathering.

Generously sized dock and a lovely waterfall feature greet you and lakeside guests at the end of a day spent enjoying your lakeside paradise.
